BMAC Screening Fact Sheet FINAL 05 20 14.pdf

Please send suggested link language and category on WL page at www.epa.gov/region7/cleanup/west_lake_landfill. This is a weird bird. It's titled as a fact sheet, but is really a Q&A document.

Seems like we could go one of two routes. Do it like this link under **Site Documents**...

● [Answers to Questions Submitted to EPA Region 7's Online Portal for the West Lake Landfill Site, September 2013](#)

...or like a link under **Fact Sheets**.

Your thoughts?
